About Custom Computer Specialists, Inc.

Custom Computer Specialists, Inc. has provided technology solutions since 1979. Specializing in IT outsourcing and large technology projects, Custom delivers a wide array of services including project management, wireless and LAN/WAN networking, managed services, desktop installation, service and support, product procurement, and storage solutions. Custom has been the recipient of a host of recent industry awards and recognition, such as inclusion in the Top 200 Private New York Metro Companies list (Crain's NY Business); named #1 Technical Consultant (LIBN); listed among the Top 100 Government VARs for the past 3 years; and received a prominent ranking on the VAR Business 500.
