East Williston Union Free School District Adopts Infinite Campus Student Information System

Hauppauge, NY (December 8, 2011) Custom Computer Specialists, Inc. (“Custom”), the Northeast Channel Partner for Infinite Campus, announces that East Williston Union Free School District is the most recent New York school district to implement Infinite Campus as its student information system.

Dr. Lorna Lewis, Superintendent of East Williston, explains, “Infinite Campus is a mature student information system that will meet the needs of East Williston today and in the future. Custom’s professionalism and on-time delivery resulted in a smooth transition.”

The implementation process was managed by Custom’s expert team. Custom handled a complex project plan that covered system setup, data conversion, professional development, and third party integrations.

JP Nel, Director at Custom, stated, “Infinite Campus provides all the functionality East Williston requires, including capabilities for expanding student and parent participation. Infinite Campus supports individualized education, which also aligns well with East Williston’s goals.”

East Williston went live with Infinite Campus September, 2011.

About East Williston Union Free School District

East Williston is a K-12 school district with 1800 students. East Williston prides itself on an individualized and personalized approach to educating its students. The pursuit of academic excellence in this district reflects the deep belief that all students can learn and that all students deserve high quality instruction in the classroom. The Wheatley School is recognized as a top 100 High School in US News and World Report as well as Newsweek. The district is located in Nassau County in New York State.

About Infinite Campus www.infinitecampus.com

For over a decade, Infinite Campus has successfully implemented its solutions for customers of all sizes. As the largest American-owned student information system, Infinite Campus applications manage 5 million students in 43 states. Infinite Campus customers range from those with fewer than 100 students to more than 600,000 including school districts, regional consortia, state departments of education and the federal government.
