CCS TeacherTime is a Premium Product that allows parents, teachers, and administrators to seamlessly schedule meetings inside Infinite Campus.

Powerful Features

For Parents

- Reserve slots for meeting
- Print their meetings scheduled across all their children

For Teachers

- Configure meeting slots on various days
- Define the duration of each available slot
- Choose to add breaks between slots
- Easy access to logging visits

For Administrators

- Enable system usage
- Email blasts to announce/remind of conference days
- Review system status

Benefits

Integration into Infinite Campus makes everything better!

- Parents already know how to navigate the Portal, so scheduling meetings is a breeze.
- Avoids scheduling conflicts because the tool knows all students' schedules. It doesn't allow parents or teachers to double book.
- Teachers manage their schedules in Infinite Campus
- Administrators control all dates of conferences
- Administrators can see all teachers' schedules
